

I am writing to sing praises of David Choi.

I've known David for three and a half years, and I've worked with him frequently over that time. These are my impressions of David's strengths:

- Smart
- Gets things done
- Generous with his time
- Excellent teacher
- Conscientious
- Hard-working
- Inspirational
- Excellent salesman
- Patient
- Forgiving
- Honest

David's inspirational qualities would make him an exceptional leader. His teaching and selling abilities are also important qualities for a leader to have. And finally, his patience would allow to deal with the daily slings and arrows of leading a team.

Sincerely,
